

Symposium Emerging Leaders Scholarship Program

Welcome to the third year of the Symposium Emerging Leaders Scholarship Program. The objective of the program is to give recognition to those individuals with less than 10 years (nonconsecutive) of experience in healthcare design and construction including research and/or education. The recognition includes attending the 2024 HFSE in San Diego, California September 24-26 and participating in all activities surrounding the event.

NOMINATION FORM

- Contact Info (First Name, Last Name, Title, Company, Mailing Address, Email, Office Phone, Mobile)
- Education, certifications, licensure and professional affiliations
- Brief history including current position and responsibilities
- Submit a narrative on why you should be chosen. Specifically, look at conference mission statement, education program and answer why this particular conference theme resonates with you. How do you see yourself adding value to the conversation? What are your expected benefits from attending and how do you intend to disseminate those benefits? (500 words or less)
- Letter of recommendation from leadership within your organization that includes support for covering travel expenses if selected. If independent or not yet part of an organization than a letter of recommendation does not have to be from same organization.
